

CONTRIBUTIONS AND CHARGES 2021

The costs outlined below are the maximum amounts that the school anticipates parents are likely to encounter in the following year of schooling. Actual costs for most parents may be below these figures.

The School Board has endorsed the costs for 2021. The following areas need to be considered:

- Student Personal Items – School Requirements List**

The student personal items list for each year level will be provided at the end of the school year and the items your child requires can be ordered through Campion. Your order can then be collected from the school on book collection day prior to term 1 beginning or can be delivered to you if more convenient. Please monitor your child's use of these items as 'top ups' may be required during the year for essential items such as pens and pencils. Items on the personal items list may also be purchased at other commercial outlets. The cost for the personal items list is not included in the below figures.

- Personal items – Extra Cost Items**

Your child may become involved in activities throughout the year that incur extra costs such as the choir, school photos and graduation where the purchase of items and a shirt may be needed.

- Contributions – Voluntary**

The school would appreciate your commitment in paying the voluntary contribution of \$60 as it is a major source of funds for the school. We rely on all families from kindergarten to year 6 contributing to this as these funds are used to improve the resources available for your children.

VOLUNTARY CONTRIBUTION			
Non Compulsory Schooling		Compulsory Schooling	
Kindergarten	\$60	Pre-primary to Year 6	\$60

CHARGES

Throughout the year there will be charges that vary from class to class and child to child. The school sets a maximum that is not to be exceeded for that year (excursions, in-school activities, swimming, dance, gym, camp etc). The 'user pays' maximum for 2021 is as set out below.

INGLEWOOD PRIMARY SCHOOLS EXPECTED CHARGES FOR 2021
