We will provide high visibility vests for the children to wear.

Upon arrival at the pre-primary, the volunteer drivers will take the children to their classrooms.

The *Walking School Bus* coordinators will give parents/carers as much advance notice as is reasonably possible if the *Walking School Bus* is to be canceled due to adverse weather or the unavailability of volunteer drivers.

Once you have signed a *Walking School Bus* Consent Form (see overleaf), your child may take part in the *Walking School Bus* as frequently or infrequently as you choose. You do not need to advise us if your child will be walking or not.

Volunteer drivers may alter the *walking school bus* route without notice if a route hazard occurs that would place the participants at risk.

Children cannot ride bikes or scooters on the *Walking School Bus*.

The *Walking School Bus* relies on volunteers to run consistently. If you can volunteer, please tick the mornings, you are available to help.
