Critters Up Close Language Experience

Dear Parents and Caregivers,

We have been fortunate to secure an in-school animal experience with **Critters Up Close**. This interactive, engaging and immersive nature education experience will allow students to learn about a vast array of wildlife from birds to reptiles, mammals to invertebrates and everything in between.

The Critters Up Close in-school activity will take place in Week 1 of Term 4 on Wednesday 12 October 2022.

The cost for each student is **\$7.00**

Please pay via direct deposit **BSB 066 111 A/C 00900025** with your child's surname and room number as reference, by **Friday 23 September 2022**.

We would love all students to participate. Should you have any difficulties regarding payment, please contact the office before the end of the term so that arrangements can be made.

Students who have not paid will not be able to participate in the Critters Up Close In-School Activity and will be supervised onsite in another classroom.

Please complete and return the permission form below.

Yours sincerely,

Brodie Baker, Sam Summerson, Michelle Ward and Nicole Howatson

Year 1 Classroom Teachers
19 September 2022
