Logo	App Name	Description
	Connect Backpack Free	The Connect Backpack App provides a simple way for teachers and students from the Western Australian Department of Education to move a file or document they have created on an iPhone, iPad or iPod into Connect.
	Garage Band Free	GarageBand turns your iPad into a collection of Touch Instruments and a full-featured recording studio — so you can make music anywhere you go. And with Live Loops, it makes it easy for anyone to have fun creating music like a DJ. Use Multi-Touch gestures to play keyboards, guitars, and create beats that make you sound like a pro — even if you've never played a note before. Plug in a guitar or bass and play through classic amps and stompbox effects. Use a Touch Instrument, microphone, or a guitar and instantly record a performance with support for up of 32 tracks. Use the Sound Library to download additional free instruments, loops and sound packs created by some of the biggest producers in the world.
	iMotion Free	iMotion is an intuitive and powerful time-lapse and stop-motion app for iOS. Take pictures, edit your movie and export 1080p & 720p HD videos to your device or directly to Youtube.
	iMovie Free	With a streamlined design and intuitive Multi-Touch gestures, iMovie lets you enjoy your videos and tell stories like never before. Browse your video library, share favourite moments, create beautiful movies and watch them on all your devices in iMovie Theatre. And with the iMovie extension, it's fast and fun to make every video more memorable — directly in the Photos app.
	Keynote Free	Keynote is the most powerful presentation app ever designed for a mobile device. Built from the ground up for iPad, iPhone and iPod touch, it makes creating a world-class presentation — complete with animated charts and cinematic transitions — as simple as touching and tapping.
